

## Classroom Video Usage

The classroom teacher must preview all videos for use in a \_\_\_\_\_ classroom prior to showing.

The form below must be submitted to the campus principal prior to showing in the classroom after the teacher assures that:

- Material is consistent with the general educational goals of the District and the aims of campus and course objectives.
- Material is appropriate for the subject and age, ability level, learning styles, and social and emotional development of the students for whom they are selected.
- Material has been previewed prior to its implementation by the professional staff utilizing the material to insure the students will view no inappropriate materials.
- No video shown will contain profanity and/or nudity.
