

**April 19, 2022 Meeting Minutes
GVISD SHAC Committee
4:00pm in GVISD Board Room**

1. **Attendees** - Mellanie Keever, Christina McElroy, Susan Schronk, Lee Ann Breton, Kari Killion, Jena Miller, Amy Norman, Mary Fuller, Kirby Basham

2. **Discussion and Vote on Health Curriculum for JH and HS courses** -

The committee had reviewed the online materials that were made available for the one option for state adopted health textbooks prior to the meeting. The textbooks have been updated in response to the revised health education teaching standards (TEKS), which were updated in 2020. In discussion, members agreed that materials present human reproduction topics in a scientific manner that is in line with community values. They also discussed the parent opt-in requirement and recommended looking into a digital form of some kind to make it easier for parents to get the information and return it to the school. The updated materials also addressed topics, such as vaping, that are timely and important for students. At the end of discussion, the committee unanimously voted to recommend the Goodheart-Wilcox Texas Health Skills curriculum for adoption.

The committee also talked about the ESTEEM program, which would be a supplemental program that would help to cover health TEKS for 5th, 7th, and 8th grades since there is not a stand-alone health class at those levels. The campus representatives were going to gather more information and talk with campus personnel about the need for materials. The committee will meet again in May to discuss this program.

3. **School Lunch Program Update** - nothing new to report. The cafeterias are continuing to do the best they can to address shortages in the supply chain.
4. **Back to School Fair Update** - The event will be held on August 6, 2022 at Grandview Elementary. The committee is working to confirm the class supply lists and has already begun purchasing supplies.

The meeting adjourned at 4:33pm. The next meeting will be held on May 10, 2022 in the GVISD Board Room at 4:00 pm.
