

October 5, 2021 Meeting Minutes
GVISD SHAC Committee Meeting
4:00pm Grandview ISD Board Room

1. Welcome/Introductions

Members Present: Glenda Gutierrez, Mellanie Keever, Christina McElroy, Kari Killion, Janet Smith, Lee Ann Breton, Jena Miller, Lisa Davis, Mary Fuller, Amy Norman

2. Purpose of SHAC: Amy Norman shared the purpose behind the SHAC Committee along with some of the items that the committee will consider this year.
3. Review GVISD Safe Return to School Plan: Amy Norman shared the Safe Return to School Plan from the GVISD Website. Committee discussed the plan and agreed that the level of parent communication regarding cases was good. Amy Norman showed the committee where to find the plan and Covid dashboard on the website under the Our District tab.
4. Review Wellness Policy Goals/Objectives: The committee reviewed the current wellness goals as outlined in the plan that is posted on the district website. A few activities were added to the plan such as the elementary garden project and flu vaccinations for school personnel. The plan will be presented to the school board for approval at the October board meeting.
5. Ideas to Investigate: Committee members were asked if they had ideas that the group could discuss in future meetings. Kari Killion said that the Back to School Fair will be in place for next school year and that she is helping to coordinate that effort. Amy Norman shared that a member of The Lighthouse at Grace was interested in presenting information about human trafficking and internet safety to parents and students. Several members recommended that information might be better accessed through online options rather than scheduling an in-person event. Lisa Davis mentioned that the school district will have another opportunity for staff to receive flu and Covid vaccinations in October.

The meeting adjourned at 4:45pm.
