

## Grandview All-Sports Booster Club Scholarship Guidelines

*Revised 2006*

1. The Booster Club Scholarship Committee will determine winners. This committee will be picked by the President of the Booster Club, with their identity unknown to others. The President will vote only in the case of a tie.
2. The Scholarship recipients will be notified at graduation.
3. All applicants must be graduating seniors of GHS. A student graduating in less than 4 years is also eligible to apply. All applicants must have participated in at least one UIL sport at GHS for a minimum of two (2) years; they need to have been in athletics for a minimum of three years total. In order for a student to be eligible, their parent must be a member of the All-Sports Booster Club.
4. All students must maintain an 85 or above average for all courses taken. All applications must be completed and turned in to the Counselor's office by the date determined by the committee for the present year. Applications are available in the Counselor's office.
5. To maintain a scholarship, a student must carry at least twelve (12) hours and must maintain at least a 2.5 grade point average each semester. Students must provide the committee with proof of enrollment/grades before payment will be made to the student. Money will be paid at the beginning of each semester for two years: ½ & ½. The student forfeits scholarship monies if they do not remain in school for a continuous period. Scholarships are to be paid directly to the student.
6. Scholarships will be given in the amount deemed by the committee, not to exceed \$1,500.00 per student.
7. Applicants must complete each sport started each year. Students who begin a sport, must complete that sport in the same given year to be eligible. The only exception is written notification from a doctor that states the applicant's health is at risk. If they play a sport for two years, and choose not to play it a 3<sup>rd</sup> or 4<sup>th</sup> year, it will not be held against them, provided they still participate in a UIL sport in some manner for a 3<sup>rd</sup> year.
8. Monies must be spent the first two years immediately following graduation.
9. Any questions from Parents or Applicants concerning applications must be in writing to the President and discussed with the committee by the President. No questions are to go directly to the counselor.
10. The committee will accept no late applications.
